REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Kingtree Senior High School is located in the small rural town of Kingtree, South Carolina. The mission of Kingtree Senior High School and its stakeholders is to provide every student with a challenging curriculum; highly qualified teachers, and a safe, healthy learning environment with which to maximize their growth and development toward productive citizenship in global society.

Kingtree Senior High School made significant progress during the 2010 – 2011 school year towards achieving all student achievement and climate goals set. Kingtree Senior High School improved the growth rating on the school report card from at-risk to excellent; as a result Kingtree Senior High was removed from Palmetto Priority School list and successfully earned SACS accreditation. We established a Parent-Teacher-Student Association this school year. We currently offer twelve career clusters and twenty-six majors within those career clusters. We foster parent and community support to meet our continuous school improvement efforts.

Kingtree Senior High School is a comprehensive high school that continues to improve student achievement by being a member of High School That Works and providing our students shadowing and transiting opportunities, an after school program, Saturday school, credit recovery, Re-Do policy and the Power of "I" to provide students the opportunity to graduate and on time.

Our challenges again this year were parental and community involvement. We plan to address this by increasing our efforts to establish a Concern Community Group (CCG) for the 2011 – 2012 school year.

Kingtree Senior High School has a committed staff that works diligently to meet the needs of our students. We acknowledge and thank our students who were motivated to learn and respected their school. We are grateful to our parents and community leaders for their continue support of KSHS.

Dr. Fred P. Moore, Jr., Principal

Ms. Lorraine Wilson, School Improvement Chair
